

Retired and working people age 55 and over are eligible to become part of this national movement of volunteers.

The mission of the Retired & Senior Volunteer program is to provide enrichment to the lives of older adults through significant community service. It encourages seniors to bring a lifetime of talent, experience, skills and hobbies to community projects that impact the quality of life in El Paso.

Volunteers serve in a variety of sites in the 60 mile wide service area (from Canutillo to Fabens). Schools, community centers, museums, libraries, nursing homes, police departments, hospitals, recreation centers, outreach programs, agencies for people with disabilities, economic development and job centers, public health and environmental projects all have benefitted from RSVP. The Retired and Senior Volunteer Program has a volunteer experience for every interest and an opportunity to make a difference.

*You can make a difference
in the life of.....*

YOU CAN MAKE A DIFFERENCE IN THE LIFE OF.....

a museum visitor. RSVP offers art, history (both natural and cultural), science, and Southwest habitat museum experience.

a state park visitor by introducing them to the wonders of Hueco Tanks or Franklin Mts. State Park.

join a local hospice & provide patient & family support; assist in the office or providing community outreach.

a visitor helping out at the reception desk and gift shop at the UTEP's Centennial Museum.

your neighbor, by giving time to a law enforcement or neighborhood clean-up committee.

a sick person. Hospital visitors and helpers are always needed to brighten the days of patients.

a homebound senior by providing a welcomed phone call and social conversation.

a nursing home resident by reading, playing games, or sharing a conversation.

become a senior program volunteer instructor at our local community college; assist with planning & delivery of events or television show productions.

patrons of libraries by assisting Friends of the Libraries groups which help libraries maintain a current and valuable selection of materials and equipment.

a Veteran by helping out at the Department of Veterans Affairs.

a wild or domestic animal. Volunteers are needed to educate the public about humane treatment of pets and how to prevent unwanted pets. Zoo animals also need friends.

Many more opportunities await those who want to give of their time and talent. Please make a difference in the life of someone else.

You can start by calling 212-1685.
