Submitted for your review and acceptance is the City of El Paso first quarter investment report including documentation of investments held and evaluation of investment performance. The Investment Officers have complied with the Public Funds Investment Act, the City's Investment Policy, and adopted Investment Strategies. All funds were invested to meet cash flow requirements for operations, capital projects, and debt service payments.

During this quarter the City bid no investments. Daily available cash was placed into investment pools which outperformed the interest-bearing accounts. The five investment pools used by the City – TexStar, TexPool, Logic, Wells Fargo and Texas-Term – had an average yield of 0.167% for the quarter ended November 30, 2010.

The following is a summary comparison of selected information as of August 31, 2010 and November 30, 2010:
