Our Citizens' Advisory Board invites you to attend...

The role of the board is to advise the Regional Commander of community problems and concerns. Community problems are identified and solutions are proposed during these meetings. The police department provides information on the department's role and guest speakers provide training on topics of interest and concern for the community. We would like to invite you to attend our monthly meetings. If interested, the meetings take place each month (on the 1st Wednesday of the month) at 6:00 p.m. and are held at the Mission Valley Regional Command Center's large conference room, located inside the lobby of the station.

If you have any concerns or would like to find out what is going on in your neighborhood or community, you are welcome to attend. This is a great opportunity to meet the officers and citizens who want to make the Mission Valley area a better and safer place for everyone.

C.A.B. MEETINGS ARE OPEN TO THE PUBLIC
